

Moray Alcohol and Drug Partnership

Service User Report Quarter 3 2015/16

Author: Amanda Ware

Documents Reference: 2/16/2578

Last Updated: 28/01/2016

1.1 Introduction

This report will cover fiscal years 2014/15 and 2015/16, specifically looking at quarter 3 of 2015/16. It will begin by analysing the data that has been collated by Moray Alcohol and Drug Partnership (MADP) services who, along with the service users are using the Alcohol and Drug Outcome Star to measure the service user's progress through their personal recovery journey.

It will also detail the number of people being referred into the MADP Services and those accessing the MADP services during fiscal years 2014/15 and 2015/16. This will include a break down and analysis of service user's ethnicity, age, the type of substance they misuse as well as the numbers of service users who have contact with children.

1.2 Method

The data for this report has been collated either directly from MADP Services or from the Service Reporting Sheet that is completed by the Service User and Assessor at Assessment or at Review with the key worker.

The following MADP services have contributed to this report:

- Moray Drug and Alcohol Team – NHS
- Moray Social Work Addiction Team
- Arrows - Quarriers
- MADP Support Team

2.1 Alcohol Outcomes Star Data

Q3 2014/15	Progress	No Change	No Change Required	Decline

- During quarter 3 67.2% (340) of active MADP clients were males with 32.8% (166) being female.
- Over the past year there has been a steady increase in the number of males and a decline in the number of females accessing MADP Services.

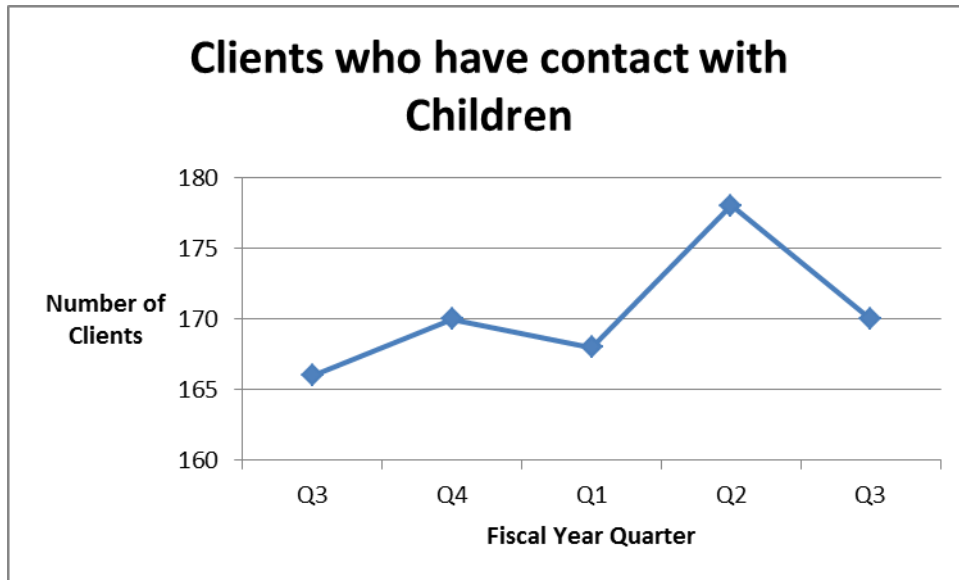

- The age bracket with the highest number of service users is 22-35; this has remained consistent throughout the past year and a half.
- There is a major cluster around the 22-45 age brackets of those engaged in MADP services, with 61.3% of all clients falling into this age grouping.
- There were 14 people aged over 65 engaging with MADP services in quarter 3, accounting for 2.8%.

	2014/15		2015/16		
	Q3	Q4	Q1	Q2	Q3
Alcohol	162	183	207	208	228
Drugs	198	198	214	226	241
Both	23	27	30	35	37

- The number of Service Users seeking help for Alcohol misuse has increased by 20 when compared to the previous quarter; it has also increased when compared to quarter 3 of 2014/15. 45.1% of all Service Users were accessing services due to an issue with alcohol.
- Those seeking help with drug misuse account for 47.6% of all clients in quarter 3; the number of service users seeking help for Drug misuse increased when compared to the previous quarter; and the same quarter of 2014/15.
- The percentage of those who are engaged in MADP services due to an issue with both drug and alcohol misuse has increased this quarter to 37 accounting for 7.3% of all service users.

	2014/15		2015/16		
	Q3	Q4	Q1	Q2	Q3
White Scottish	337	356	388	398	429
White British	40	45	56	62	68
White Other	6	6	5	7	6
White Irish	0	1	1	1	1
Black Other	0	0	1	1	1
Caribbean	0	0	0	0	0
Asian Other	0	0	0	0	0

- The vast majority of service users are White Scottish, this ethnicity accounts for 84.8% of all service users in quarter 3 of 2014/15.
- The number of White British people in MADP services has increased by 4 when compared to quarter 2. This ethnicity accounts for 13.4% of all service users during quarter 3 of 2015/16.
- The number of people who identified themselves as White Other has decreased by 1 when comparing this reporting quarter with the previous quarter, the majority of the White Other service users are Eastern European.

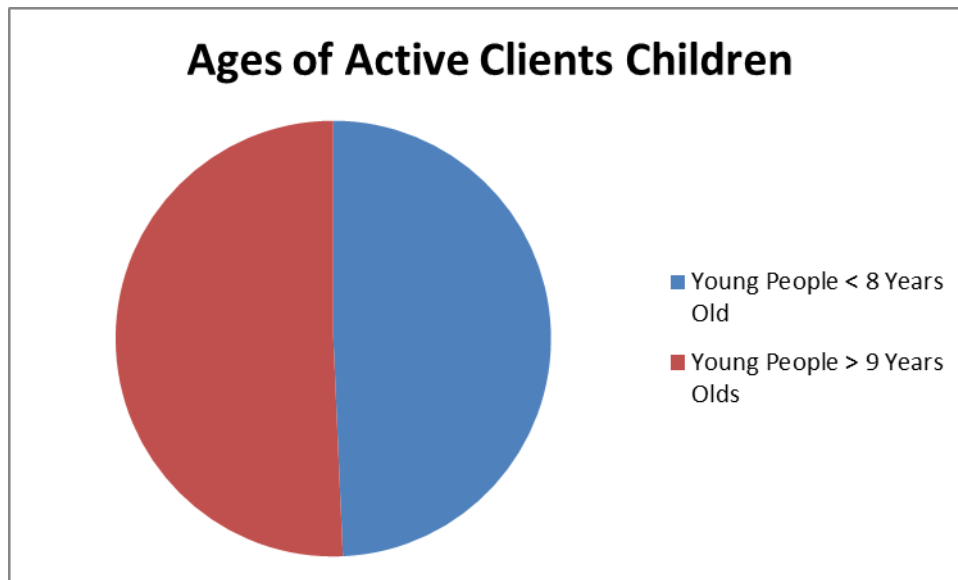

- During quarter 3 of 2015/16 the number of people in services who have contact with children has decreased from 178 in the previous quarter to 170 in quarter 3 of 2015/16.
- When comparing quarter 3 of 2014/15 with this reporting quarter there has been an increase of 4 Service users who have contact with children.

Please note that this number cannot be added together to make a total of the number of service users who have contact children as there are service users who have children living with them as well as contact with children not living with them.

- The number of service users who reported living with young people aged under 16 in quarter 3 of 2015/16 has increased from 53 to 57 when comparing the previous quarter.
- The number of service users who have contact with young people has increased when comparing the previous quarter, from 88 in quarter 2 of 2015/16 to 108 in the reporting quarter. During the same quarter in 2014/15 there were 124 who had contact with children living elsewhere.

- There were 286 young people who had contact with service users during quarter 3 of 2015/16. Of this number 141(49.3%) were 8 years old or younger and 146 (50.7%) were between the ages of 9 and 15 years old.

- 11 service users reported living in Kingmills, Elgin; 8 in IV30 4BX and a further 4 in IV30 4BU.
- 8 service users reported living in Earnest Hamilton Court, Elgin (IV30 4GH)
- There were 6 service users who reported living in Guildry House (IV30 1JP), which is homeless accommodation run by SACRO.

- The postcode with the highest number of services users outside of Elgin were; Linn Brae, Aberlour, Nelson Court, Keith, The Royal Hotel, Tytler Street, Forres, each with 4 service users reported living in each of these postcodes.
